

Primary School Sport Funding

At Chantry Community Academy we recognise the contribution of PE to the health and wellbeing of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sport Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions and training our staff to deliver in-house quality PE sessions.

What is the Sport Premium?

The government is providing funding of £150 million per annum for the academic years 2013/14, 2014/15 and 2015/16 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see the money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year. The money can only be spent on sport and PE provision in schools.

Purpose of the funding

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that it should be able to:

- Develop or add to the PE and sports activities that the school already offers
- Make improvements now that will benefit pupils joining the school in future years

Possible uses of the funding include:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competition
- increase pupils' participation in the School Games
- run sports activities with other schools

Primary PE Sport Grant Report 2016-2017

Primary PE Sport Grant Awarded			
Total amount of PPSG received	£9270
