

GREENACRE ACADEMY

FACILITY LETTINGS POLICY & TERMS AND CONDITIONS FOR THE HIRE OF FACILITIES.

Introduction

The Governing Body controls the use of the school premises both during and outside school hours except where there is a trust deed that allows a person other than the Governing Body to control the use of the premises, or where a transfer of control agreement has been made.

The Governing Body regards the school buildings and grounds as a community asset and will make every effort to enable them to be available for the delivery of extended services including community use.

The Governing Body welcomes the opportunity to work with partner organisations in extending the range of opportunities to help children and young people achieve their full potential by engaging with services meeting the wider needs of children, young people, families and the local community. The Governing Body acknowledges that extended services, including community services, support and compliment the main teaching and learning activity within the school and contribute towards raising standards. However, we would ask that partners note that schools, by their very nature, may be more constrained than many other organisations in responding to lettings requests.

Definition of a Letting

A letting may be defined as *“any use of the school premises (buildings and grounds) by either a community group (such as a local music group or football team), or a commercial organisation (such as the local branch of ‘Weight Watchers’)”*.

A letting must not interfere with the primary activity of the school, which is to provide a high standard teaching and learning environment for all its pupils.

Lease arrangements and Partnership Agreements are subject of separate policy guidance.

Use of the premises for activities such as staff meetings, parents’ meetings, Governing Body meetings, out of school hours learning / study support activities or any other extended services which support the raising of attainment and achievement, fall within the corporate life of the school. Costs arising from these uses are therefore a legitimate charge against the school’s delegated budget.

Charges for a Letting

The Governing Body is responsible for setting charges for the letting of the school premises. A charge may be levied in order to cover the following:

Cost of services (heating and lighting)

Cost of staffing (additional security, caretaking and cleaning) - including “on-costs”

Cost of administration

Cost of “wear and tear”

Cost of insurance (if the organisation uses the schools public liability insurance)

Cost of use of school equipment (if applicable)

Profit element (if appropriate)

Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the organisations/partners involved.

The specific charge levied for each letting will be reviewed no less than annually by the Governing Body (or as delegated for Committee determination). This review will preferably take place during the spring term, for implementation from the beginning of the next financial year, with effect from 1st September of that year. Current charges will be provided in advance of any letting being agreed. A Charging Tariff may be established to ensure that access is affordable for particular individuals and groups.

VAT

In general, the letting of rooms for non-sporting activities is exempt of VAT, whereas sports lettings are subject to VAT (although there are exemptions to this under certain circumstances).

Management and Administration of Lettings

The Headteacher is responsible for the management of lettings, in accordance with the Governing Body's policy. The Headteacher may delegate all or part of this responsibility to other members of staff (e.g. person with responsibility for extended services / community development), whilst still retaining overall responsibility for the lettings process.

If the Headteacher has any concern about whether a particular request for a letting is appropriate or not, she/he will consult with the Chair of the Governing Body or Chair of a Governing Body Committee which has been given delegated authority to determine the issue on behalf of the Governing Body.

The Administrative Process

Organisations seeking to hire the school premises should approach the Headteacher (*or other designated member of staff e.g. extended services / community development staff*) who will identify their requirements and clarify the facilities available. A Booking Form should be completed at this stage. The Governing Body has the right to refuse an application, and interested parties should be advised that no letting should be regarded as "booked" until approval has been given in writing. No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been formally confirmed.

Once a letting has been approved by (or on behalf of) the Governing Body, confirmation will be sent to the hirer, setting out full details of the letting and enclosing a copy of the terms and conditions and the hire agreement. The person applying to hire the premises will be invoiced for the cost of the letting as appropriate in accordance with the Governing Body's current scale of charges.

The hirer should be a named individual and the agreement should be in their name, giving their permanent private address. This avoids any slight risk that the letting might be held to be a business tenancy, which would give the hirer security of tenure.

All lettings fees, which are received by the school, will be paid into the school's independent bank account, in order to offset the costs of services, staffing etc. Income and expenditure associated with lettings will be regularly monitored and reported to the Governing Body.

Public Liability and Accidental Damage Insurance

Each organisation hiring any of the facilities must ensure they have their own Public Liability Insurance. If an organisation does not have public liability insurance in place, it is possible for the Governing Body to take out a single policy covering all lettings, and recoup the cost of the insurance premium via the lettings fee which is charged to individual hirers. If you wish to be covered under the school's insurance you must request this in writing at the time of booking the facilities.

Child Protection

Any organisation submitting a lettings request involving working with children and/or young people must have a current Child Protection Policy in place.

All terms and conditions set out below must be adhered to. The "Hirer" shall be the person making the application for a letting, and this person will be personally responsible for payment of all fees or other sums due in respect of the letting.

Status of the Hirer

Lettings will not be made to persons under the age of 18, or to any organisation or group with an unlawful or extremist background. The hire agreement is personal to the hirer only, and nothing in it is intended to have the effect of giving exclusive possession of any part of the school to them or of creating any tenancy between the school and the hirer.

GREENACRE ACADEMY

FACILITY LETTINGS POLICY & TERMS AND CONDITIONS FOR THE HIRE OF FACILITIES.

If a particular letting involves contact with the school's pupils or other young people then:

- Any organisation submitting a lettings request involving working with children and/or young people must have in place the appropriate policies and procedures with regard to safeguarding children and child protection. The governing body may ask to see these in advance of the booking being confirmed.

All staff working with children and/or young people must have the relevant CRB/DBS checks in place. In some circumstances, the governing body may ask to see these in advance of the booking being confirmed.

All organisations wanting to use the facilities for any sporting activity or specific purposes must have the relevant qualifications in place, the governing body may ask to see these in advance of the booking being confirmed.

It is each organisations responsibility to ensure each of the points above are in place prior to any booking taking place on school site.

Priority of Use

The Headteacher or person with designated responsibility will resolve conflicting requests for the use of the premises, with priority at all times being given to school functions.

Attendance

The Hirer shall be responsible for ensuring that the number of persons using the premises does not exceed that for which the application was made and approval given.

Behaviour

The Hirer shall be responsible for ensuring the preservation of good order for the full duration of the letting and until the premises are vacated.

Public Safety

The Hirer shall be responsible for the prevention of overcrowding (such as would endanger public safety), and for keeping clear all gangways, passages and exits. The Hirer shall be responsible for providing adequate supervision to maintain order and good conduct, and where applicable, the Hirer must adhere to the correct adult/child ratios at all times. The hirer shall be informed of the maximum number of attendees for each venue at the time of hire application.

In the event of an emergency, all occupants must leave the school by the nearest exit and assemble at the venue area as advised to them by the hirer. The hirer is responsible for familiarising themselves with emergency exits and must ensure that participants are aware of emergency evacuation procedures and assembly points. It is good practice to carry out emergency evacuation drills at suitable intervals. The hirer must, at all times whilst participants may be on site, have immediate access to participants' emergency contact details, and have access at all times to a mobile phone.

Own Risk

It is the Hirer's responsibility to ensure that all those attending are made aware of the fact that they do so in all respects at their own risk. All Hirers must check the facilities at the time of their booking for any hazards and ensure the facilities are fit for purpose. All Hirers should complete a risk assessment of the facilities prior and on the day of their booking.

Please be aware that Greenacre Academy and the Governing Body are not responsible for any injury linked to any damage to a facility as a result of environmental factors which are deemed as out of our control (ie, rabbit burrows, mole holes etc). As the Hirer, it is your responsibility to check the

facilities prior to use and report any issues to the school immediately.

The minimum limit for this insurance cover is *£5 million*. The Hirer must produce the appropriate schedule of insurance cover before the letting can be confirmed.
