Dear Year 13 Student,

**RE: Higher Education Information Evening, Monday 27 November 2017
Walderslade Girls' School: Main Hall**

Over the years many of our Year 13 students have applied for a place at university and those that have applied have all been successful in gaining a place in higher education.

A major factor in deciding to go to university is having a clear understanding of the financial implications. To assist you with these decisions, we would like to invite you to our Higher Education Information Evening on Monday 27 November 2017 at 6:00pm in the main hall of Walderslade Girls' School.

With guest speakers from the Student Finance Tour this event will hopefully clarify the thorny issue of student finance and enable you to make an informed decision about your next steps. As the application process will require parental input, we strongly recommend students attend with their parent/carer. This will ensure you are fully equipped with all the relevant information before important further education decisions are made. We would kindly ask you to complete and return the attached reply slip by the date indicated.

We look forward to welcoming you to the event.

Yours sincerely,

Head of Sixth Form
