

In order to ensure that your son/ward is making the expected progress for his Sixth Form studies, the following intervention sessions have been scheduled to run for over the Easter holidays. The benefit of attending these sessions will be: to ensure that your son/ward has the support needed to complete any outstanding coursework/amend coursework that requires improvements, or to revise key topic material(s) with his class teacher that may be of benefit to any upcoming summer examinations.

All intervention sessions will take place on the Greenacre Academy site and will run on the dates and times detailed below:
