Date of next renewal: .....April 2020.....

## Summary

This policy and procedure defines the expected conduct of all staff engaged at any Academy, within the Greenacre Academy Trust, whether in paid or voluntary employment, in relation to deterring and/or detecting fraud and corruption, and who to report it to.

It includes clear guidelines on what is acceptable in terms of gifts and hospitality and how these matters are declared.

Also, reference is made to other Trust or Local Academy policies where appropriate.

### 1. Introduction:

- 1.1 Greenacre Academy Trust is committed to ensuring that it acts with integrity and has high standards of personal conduct. Everyone involved with Greenacre Academy Trust has a responsibility in respect of preventing and detecting fraud. All staff, Governors, Trustees and Members have a role to play. Greenacre Academy Trust also recognises the role of others in alerting them to areas where there is suspicion of fraud.
- 1.2 Recognising a potential fraud and being able to report it is just as important as the measures to prevent and detect.
- 1.3 It is the duty of all employees, Directors, Trustees Members and local Governors at Greenacre Academy Trust to take reasonable steps to limit the possibility of corrupt practices, and it is the responsibility of the Responsible Officer and Auditors to review the adequacy of the measures taken by the Trust to test compliance and to draw attention to any weaknesses or omissions.
- 1.4 Any investigation carried out in relation to alleged irregularities is linked to Greenacre Academy Trust's Disciplinary & Dismissals procedure.

### 2. Definitions:

#### 2.1 Fraud

Fraud is a general term covering theft, deliberate misuse or misappropriation of assets or anything that leads to a financial advantage to the perpetrator or others upon whose behalf he or she acts, even if these "others" are in ignorance of the fraud. Fraud is in fact intentional deceit and for this reason it cannot include negligence.

Fraud incorporates theft, larceny, embezzlement, fraudulent conversion, false pretences, forgery, corrupt practices and falsification of accounts.

#### 2.2 Corruption

The term 'corrupt practices' is defined for the purpose of this code as the offering, giving, soliciting or acceptance of an inducement or reward which may influence the actions taken by Greenacre Academy Trust, its staff, Directors, Members or Governors.

### 2.3 Gifts and Hospitality

Any gifts, rewards and benefits that are disproportionately generous or that could be seen as an inducement to affect a business decision should be declared.

The acceptance of gifts and hospitality is a sensitive area where actions can easily be misconstrued. Therefore, employees' actions should be such that they would not be embarrassed to explain them to anyone.

### 2.4 Irregularities fall within the following broad categories, the first three of which are criminal offences –

- **Theft** - the dishonest taking of property belonging to another person with the intention of depriving the owner permanently of its possession;
- **Fraud** - the intentional distortion of financial statements or other records by persons internal and external to the Academy, which is carried out to conceal the misappropriation of assets or otherwise for gain;
- **Bribery and corruption (Gifts & Hospitality – see Point 5.)**- involves the offering or the acceptance of a reward, for performing an act, or for failing to perform an act, which leads to gain for the person offering the inducement;
- **Failure to observe**, or breaches of, Scheme of Delegation and Financial Regulations; Greenacre Academy Trust's Procedures which in some circumstances can constitute an irregularity, with potentially significant financial consequences.

### 2.5 Examples of what could constitute fraud and corruption are -

- theft of cash;
- non-receipt of income;
- substitution of personal cheques for cash;
- travelling and subsistence claims for non-existent journeys/events;
- travelling and subsistence claims inflated;
- manipulating documentation to increase salaries/wages received, e.g. false overtime claims;

- payment of invoices for goods received by an individual rather than the respective Academy;

failure to observe, or breaches of, regulations and/or other associated legislation laid down by the respective Academy;

unauthorised borrowing of equipment;

breaches of confidentiality regarding information;

failure to declare a direct pecuniary or otherwise conflicting interest; concealing a generous gift or reward;

unfairly influencing the award of a contract; creation of false documents;

deception;

using position for personal reward.

The above list is not exhaustive and fraud and corruption can take many different paths. If in any doubt about whether a matter is an irregularity or not, clarification must be sought from the Trust Finance Director.

2.6 Similarly, if there is concern or doubt about any aspect of a matter which involves an irregularity, or an ongoing investigation into a suspected irregularity, the best approach is to seek advice from the Head of School or Chief Executive Officer.

### 3. Policy Statement:

3.1 This policy and procedure defines Anti-Fraud & Corruption and Gifts & Hospitality and offers guidance for all staff in Greenacre Academy Trust.

3.2 The Trust aims to be an honest and ethical institution. As such, it is opposed to fraud and seeks to eliminate fraud by the way it conducts Trust business. This document sets out Greenacre Academy Trust's policy and procedures for dealing with the risk of significant fraud or corruption. In order to minimise the risk and impact of fraud, the Trust's objectives are, firstly, to create a culture which deters fraudulent activity, encourages its prevention and promotes its detection and reporting and, secondly, to identify and document its response to cases of fraud and corrupt practices.

3.3 This policy, in line with Greenacre Academy Trust's corporate values of integrity, consistency, impartiality, fairness and best practice, provides both staff and management with mutually understood guidelines for the administration of this procedure.

3.4 The scope of this procedure extends to all Academy employees, permanent, voluntary and fixed term.

3.5 Time limits specified in this document may be extended by mutual agreement.

3.6 If requested, employees may be accompanied by a recognised trade union representative or work colleague, not involved in any part of the process, at any interviews.

### 4. Gifts & Hospitality:

4.1 These guidelines will help you to judge what sort of gift, and what level of hospitality is acceptable.

4.2 The following general rules apply and must guide decisions on receipt of gifts and hospitality as an employee of Greenacre Academy Trust:

To accept gifts should be the exception. You may accept small 'thank you' gifts of token value, such as a diary, a coffee mug or bunch of flowers, not over £25 in value. You should notify the Trust Finance Director of any gift or hospitality over this value for entry in the Register of Business Interests.

Always say "no" if you think the giver has an ulterior motive. Be sensitive to the possibility that the giver may think that even small gifts or simple hospitality will elicit a more prompt service or preferential treatment.

Never accept a gift or hospitality from anyone who is, or may be in the foreseeable future, tendering for any contract with Greenacre Academy Trust, seeking employment with Greenacre Academy Trust or is in dispute with Greenacre Academy Trust, even if you are not directly involved in that service area.

Where items purchased for the Trust or respective Academy include a 'free gift', such a gift should either be used for Academy business or handed to the Head of School to be used for charity raffles.

If you are in doubt about the acceptability of any gift or offer of hospitality it is your responsibility to consult the Trust Finance Director or Head of School.

- 4.3 A gauge of what is acceptable in terms of hospitality is whether this Trust or Academy would offer a similar level of hospitality in similar circumstances.

Occasional working lunches with customers, providers or partners are generally acceptable as a way of doing business provided they are not to an unreasonable level or cost.

Invitations to corporate hospitality events must each be judged on their merit. Provided the general rules have been taken into account, it may be acceptable to join other company/organisation guests at:

- a. sponsored cultural and sporting events, or other public performances, as a representative of Greenacre Academy Trust;
- b. special events or celebrations.

But, consider the number of these events, and always take into consideration what public perception is likely to be if they knew you were attending.

Acceptability depends on the appropriateness of the invitations, in terms of the level of hospitality, the frequency and the status of the invited employee. In all such cases the Chief Executive Officer must be consulted.

Paid holidays or concessionary travel rates are not acceptable. Neither are offers of hotel accommodation nor the use of company villas/apartments.

If you are visiting a company to view equipment that Greenacre Academy Trust is considering buying, you should ensure that expenses of the trip are paid by the respective Academy. Acceptance of refreshments and/or a working lunch may be acceptable, but care must be taken to ensure that Greenacre Academy Trust's purchasing and/or tender procedures are not compromised.

Acceptance of sponsored hospitality that is built into the official programme of conferences and seminars related to your work are acceptable.

Offers to speak at corporate dinners and social gatherings, or events organised by, for example, a professional body, where there is a genuine need to impart information or represent Greenacre Academy Trust must be agreed in advance with the Chief Executive Officer. Where your spouse or partner is included in the invitation, and approval has been given for you to attend, it will be acceptable for your spouse or partner to attend as well, but if expenses are incurred, these will be met personally.

Any invitation you accept should be made to you in your professional/working capacity as a representative of Greenacre Academy Trust.

Financial considerations are fully taken into account in reaching decisions.

## 5.3 Trust Finance Director

The Trust Finance Director has a responsibility for ensuring that effective systems of internal controls are maintained and will safeguard the resources of Greenacre Academy Trust.

In respect of fraud it is therefore the responsibility of the Trust Finance Director to ensure internal controls prevent and detect any frauds promptly. This includes:

Proper procedures and financial systems;  
Effective management of financial records;  
Management of the Trust and respective Academy's financial position.

## 5.4 External Audit

Greenacre Academy Trust's Annual Report and Financial Statements include an Independent Auditors' Report. This report includes a view as to whether the financial statements give a true and fair view and whether proper accounting records have been kept by Greenacre Academy Trust throughout the financial year. In addition, it reports on compliance with the accounting requirements of the relevant Companies Act and confirms compliance with the financial reporting and annual accounting requirements issued by the Dept of Education.

## 6. Reporting a Suspected Fraud:

- 6.1 All allegations of suspected fraud and irregularities are to be brought to the attention of the Trust Finance Director and also referred to the Chief Executive Officer, unless this individual is involved in the irregularity in which case the Chair of the Trust Board should be informed.

Please refer to Greenacre Academy Trust Whistleblowing Policy for further guidance.

## 7. Response to Allegations

- 7.1 The Trust Finance Director / Chief Executive Officer will have initial responsibility for co-ordinating the initial response. In doing this he/she will consult with the Trust Human Resource Manager regarding potential employment issues. They will also see legal advice from the Trust's solicitors on both employment and litigation issues before taking any further action.
- 7.2 The Trust Finance Director / Chief Executive Officer will ascertain whether or not the suspicions aroused have substance. In every case, and as soon as possible after the initial investigation, they will pass the matter on to the Chair of Audit and Finance Committee. Even if there is no evidence to support the allegation, the matter must be reported.
- 7.3 The Audit Committee will undertake the management of the investigation.  
They will, if appropriate, conduct a preliminary investigation to gather factual information and reach an initial view as to whether further action is required.  
They will determine whether the findings, conclusions and any recommendations arising from the preliminary investigation should be reported to the Chair of the Trust Board.  
If further investigations are required, they will determine which outside agencies should be involved (police, auditors).
- 7.4 The Chief Executive Officer is required to notify the Trust Board of any serious financial irregularities. This action will be taken at the first opportunity following the completion of the initial investigations and will involve keeping the Chairman of the Trust Board fully informed between meetings of any developments relating to serious control weaknesses, fraud or major accounting breakdowns.
- 7.5 If evidence of fraud is forthcoming then the Trust Board will inform the Department for Education as required by the Funding Agreement and will consider whether or not to refer the matter to the police.

## 8. Confidentiality and Safeguards

- 8.1 Greenacre Academy Trust recognises that the decision to report a concern can be a difficult one to make, not least because of the fear of reprisal from those responsible for the alleged malpractice. Greenacre Academy Trust will not tolerate harassment or victimisation and will do what it lawfully can to protect an individual when a concern is raised in good faith.
- 8.2 This does not mean that if the person raising the concern is already the subject of a disciplinary, redundancy or other procedure, that those procedures will be halted as a result of the concern being reported.
- 8.3 There is a need to ensure that the process is not misused. For further guidance refer to Greenacre Academy Trust Disciplinary, Grievance and Capability policy.

## 9. Links with other Policies:

- 9.1 The Trust Board is committed to preventing fraud and corruption. To help achieve this objective there is a clear network of systems and procedures in place for the prevention, detection and investigation of fraud and corruption. This Anti-Fraud and Anti-Corruption policy attempts to consolidate those in one document and should be read in conjunction with the following Trust and or academy policies:
