Greenacre Academy, a single sex secondary boys school in Chatham, require a Maths Mentor who will be responsible for supporting students in Maths by removing barriers to their learning, and ensuring that they have equality of access to opportunities, to develop to their full potential.

This role will include a key focus on supporting larger learning and the marking of student work to support the class teacher, and the post holder will contribute fully as an integral member of the Maths team, assisting with resource preparation and management, primary liaison activities and other tasks as required to support teaching and Learning activities.

You will need excellent written and verbal communication skills, the ability to remain calm and be patient with students, and excellent interpersonal skills with both adults and young people.

Greenacre Academy is part of the Skills for Life Trust. The Trust have developed a set of core values for staff which are promoted, encouraged and led by our CEO, Mr Andy Reese. The values help to ensure staff have a healthy work-life balance, are recognised and praised for their work, and are empowered to make decisions.

We encourage applications from those who may not meet all elements of the person specification, as the Trust are keen advocates of staff training and development.

Amongst the many benefits of working within the Trust you will receive;

- Skills for Life Trust values
- Free Private Healthcare Cover
- Personal development and promotion opportunities across the Trust
- Trust wide focus on staff wellbeing
- A supportive environment
